Buenos Aires, Argentina • 2022	
National University of Chilecito	Associate Degree in Data Science • Data Science
Data Science.	La Rioja, Argentina • March 2026 - Present

Experience

Ministry of Education of Salta	Salta, Argentina
Primary School Teacher	2012-2022
• Tenured teacher for 10 years under the Ministry of Education of Salta	
• Designed curriculum, lesson plans, and educational projects for 30+ students	
• Evaluated student progress and adapted teaching strategies to diverse learning needs	
• Integrated Google Workspace and digital platforms into daily classroom activities	

Projects

Water Reminder App	January 2026
Built and deployed a React web app with animated SVG glass, 30-min countdown timer, daily goal tracking, streak counter, and localStorage persistence. Integrated personalized greeting and motivational messages.	
https://eliana-ayarachi.vercel.app	
Newsletter Automation Tool	February 2026
Built a Python automation tool that searches scientific papers on PubMed, suggests thematic combinations, extracts and translates key data to Spanish, and generates a structured newsletter draft using Google Gemini API. Reduced hours of manual research to minutes.
